

Syllabus
of
Lectures on the Theory and Practice
of Medicine

Pronounced in Washington University
of Baltimore, Medical department

by
John C. G. Monkur, M.D. Professor

183

Lecture 1st. Introductory to Students

Lecture 2^d. History of Pathology

Lecture 3^d. Classification of Diseases

Lecture 4th. Classification of Diseases
Continued

20/10/1883

of

Lectures on the History and Progress

of Medicine

Presented in the University of London, in the Department of Medicine

by John C. G. Thompson, M.D. Professor

1883

Lecture I. Introduction to the Study of Medicine

Lecture II. History of Pathology

Lecture III. Classification of Diseases

Lecture IV. Classification of Diseases

✓ Lecture 5th

Investigation of Disease
or Diagnosis

✓ Lecture 6th

Investigation of Disease & Diagnosis
Continued

✓ Lecture 7th
In notebook.

} Signs, Symptoms & Phenomena of Disease
or Diagnosis, Continued

✓ Lecture 8th

} Signs, Symptoms & Phenomena of Disease
or Diagnosis Continued.

✓ Lecture 9th

} Signs, Symptoms & Phenomena of Disease
or Diagnosis Continued

✓ Lecture 10.

Etiology or Cause Discourse

✓ Lecture 11.

Etiology or Cause Discourse
Continued

✓ Lecture 12.

Etiology, Continued
Miasmata & Malaria

✓ Lecture 13.

Etiology, Continued
Miasmata & Malaria

Lecture 1.

Introduction to the subject

Lecture 2.

History of the subject

Lecture 3.

Theory of the subject

Lecture 4.

Practical aspects of the subject

Lecture 5.

Recent developments in the subject

Lecture 6.

Conclusions and future prospects

Lecture 7.

Summary of the course

Lecture 8.

References and further reading

Lecture 9.

Final examination

✓ Lecture 14. Etiology Continued

✓ Lecture 15th Contagion & (Infection Immune)
in the book

✓ Lecture 16. Prognosis

✓ Lecture 17. Prognosis Continued

✓ Lecture 18th Pulse (revisit this)

✓ Lecture 19th Pulse continued

✓ Lecture 20th Theories of Fever, General review
Boerhaave, Cullen, Brown, Hatter,

✓ Lecture 21. Theories of Fever, Continued
Darwin & Chellierbeck

✓ Lecture 22 Theories of Fever Continued (revisit)
Broussais' Theory (Kauke it)

✓ Lecture 23. Theories of Fever.
Dr Stevens

Lecture 14

History of the

Lecture 15

The English of the 17th century

Lecture 16

Prose

Lecture 17

Prose

Lecture 18

Prose

Lecture 19

Prose

Lecture 20

History of the

Lecture 21

History of the

Lecture 22

History of the

Lecture 23

History of the

Lecture 24 ¹⁰ Theory of Fevers Continued
Stevens Theory Continued

✓ Lecture 25. } Fever. History, Description
 " 26. } Continued Fever
 ✓ one book 27. } Synochus; Typhad Synochus; Typhus
 " 28. }

✓ Lecture 29. Fever Continued
one book. 30. Treatment Continued

✓ Lecture 31 Fever Intermittent ~~Intermittent~~
 ✓ " 32 " Intermittent Cont
 ✓ " 33 " Intermittent Cont -
 ✓ " 34 " Intermittent Cont

✓ Lecture 35 Fever Remittent
~~Intermittent~~

✓ Lecture 36 Yellow Fever Bileous remittent
 ✓ " 37 Yellow Fever Blu
 ✓ " 38 Yellow Fever "

✓ Lecture 39 Cholera Morbus Asiatic ^{Older}

~~Yellow Fever~~
 Yellow Fever

Lectures

x After Erysipelas

Dorsy + Anasarca,

These
lectures
are
written

2 Ascites + Anasarca

3 Ascites + Anasarca. Chronic Hydrocephalus

4 Hydrophthalmia

5 Hydrothorax

Lecture

Rheumatism

(not composed)

Lecture

Gout

These lectures should
follow the fevers &
breeds eruptions &
inflammation -
If the time of the course
would allow.

✓ Lecture 40.
 ✓ 41
 ✓ 42
 ✓ 43

Cholerae Fever
 or Malignant Epidemic Cholera

✓ Lecture 44

Eruptive Fevers
Rubeola

✓ Lecture 45

Scarlatina

✓ Lecture 46.

Varicella & Varioloid

✓ Lecture 47
 ✓

Varicella, Roseola
Vaccination

(checkbook) * 48.

Erysipelas (see opposite)

✗

Lecture 48
 two lectures 48 50

Irritation

Lecture 51
 52
 53
 ✓
 ✓
 ✓

Inflammation, Local Phlog
 2? Theory of Inflammatory diseases
 3. treatment

Lecture 57

Diseases of the Circulatory

re-write
 Syn Low

General Operations on the Solid Organs of the Heart
 Diseases of the Heart: Pericarditis, ~~Coronary~~ Coronary Arteritis, angina pectoris

Lecture 40. Phylogeny of the Chordates
1. Phylogeny of the Chordates
2. Phylogeny of the Chordates
3. Phylogeny of the Chordates
4. Phylogeny of the Chordates

Lecture 41. Phylogeny of the Chordates
1. Phylogeny of the Chordates
2. Phylogeny of the Chordates
3. Phylogeny of the Chordates
4. Phylogeny of the Chordates

Lecture 42. Phylogeny of the Chordates
1. Phylogeny of the Chordates
2. Phylogeny of the Chordates
3. Phylogeny of the Chordates
4. Phylogeny of the Chordates

Lecture 43. Phylogeny of the Chordates
1. Phylogeny of the Chordates
2. Phylogeny of the Chordates
3. Phylogeny of the Chordates
4. Phylogeny of the Chordates

Lecture 44. Phylogeny of the Chordates
1. Phylogeny of the Chordates
2. Phylogeny of the Chordates
3. Phylogeny of the Chordates
4. Phylogeny of the Chordates

Lecture 45. Phylogeny of the Chordates
1. Phylogeny of the Chordates
2. Phylogeny of the Chordates
3. Phylogeny of the Chordates
4. Phylogeny of the Chordates

Lecture 46. Phylogeny of the Chordates
1. Phylogeny of the Chordates
2. Phylogeny of the Chordates
3. Phylogeny of the Chordates
4. Phylogeny of the Chordates

Lecture. 58

Diseases of the Circulatory System -
Nutrition & Excretion
V. Hepatitis

Lecture.

one book

60

Diseases of the Throat:-

V acute angina.

V Pharyngitis & Tonsillitis see Lecture 59

V Acute Angina Membranacea

V Malignant Angina Membranacea

Pharyngeal Phagedena

Lecture

62

V Roughing Phagedena, or Gangrene
one, or Can necrosis infantilis

Lecture.

one book

63

V Throat-ulceration Syphilitica -

V Gonorrhoea

V Imprudent use of Mercury

Lecture.

64

V 1. Acute Gastritis

65

W 2. Chronic Gastritis

66

V 3. Enteritis

Lecture.

67

V Pancreatitis

V Hepatitis Acute

Lecture

68

V Hepatitis Acute, Chronic

one book.

Treatment

Lecture. 69

✓ Splenitis

Lecture 70

✓ Diarrhoea

Lecture 71

✓ Dysentery

Lecture

72

✓ Nephritis

one book
Lecture

73

✓ Cystitis

Parotitis } is in the
Jawellitis } book with Cystitis
& Orchitis }

Lecture

74

1 ✓ Peritonitis

one book

Lecture

75

2 ✓ Inflammation of the Brain ^{Menigitis} & ^{Cerebritis}

3 ✓ Inflammation of the Brain Continued

Lecture

76

Cerebritis. Continued

Lecture.

77

✓ Diseases Respiratory System
General Remarks.

Lecture 1

1. Sphincter

Lecture 2

1. Sphincter

Lecture 3

1. Sphincter

Lecture 4

1. Sphincter

Lecture 5

1. Sphincter

Lecture 6

1. Sphincter

Lecture 7

1. Sphincter

Lecture 8

1. Sphincter

Lecture 9
